Extension of Deadline to Approve Master Plan and Facilities Amendment until August 16, 2026, Adjournment

Mr. Cole presented the need to extend the deadline for approving the Master Plan and Facilities Amendment to August 16, 2026, the final allowable extension under the Interlocal Agreement (ILA). He emphasized the high quorum and strict voting thresholds required for final plan adoption, including: County approval, municipal support representing two-thirds of the population (approximately 1.1 million residents) for the master plan, and approval from both the County and 80% of municipalities for the facilities amendment. He warned that failure to extend would risk missing key adoption timelines.

Chair Ryan reinforced the urgency of the timeline, emphasizing the Executive Committee's rapid work and the need to maintain momentum. Chair Ryan emphasized the urgency of staying on schedule and recommended fall and early spring meetings to maintain momentum.

A motion was made by Member Coulbourne and seconded by Member Shuham to extend the deadline to August 16, 2026. During discussion on the motion, members requested a timeline to track when adoption steps must occur in cities and suggested pre-scheduling Governing Board meetings and avoiding conflicts with League of Cities meetings. The Executive Director was asked to survey for available dates in mid-September, and for late February or early March. The discussion was completed and the motion passed unanimously.

A motion to adjourn the meeting was made by Member Rydell and seconded by Member Horland. The motion passed unanimously, and the meeting was adjourned.
